

I wish you would send  
immediately to Mr.  
Jenkins and get the  
Mr Faxon's address  
and send it to me  
Mr Higgins knows Mr  
Jenkins well & can  
get the address for  
you - Don't fail to  
attend to this at  
once -

In our trouble I can  
give you no consolation  
My heart is full of  
bitterness & curses - I  
want nothing now but  
vengeance on the  
murderers of our son -
